COME VISIT TRUDELL MEDICAL INTERNATIONAL AT ATS

Trudell Medical International is excited to be celebrating the *25th Anniversary* of the **AeroChamber®** Brand of Valved Holding Chamber (VHC) in 2008. So come visit us at booth # 1237 at the upcoming International Conference of the American Thoracic Society (ATS). The exhibit hall is open Sunday, May 18th through Tuesday, May 20th, and when you visit us be sure to take the *Chamber Challenge* for your complimentary portable speakers. In addition to being an exhibitor at the conference, the following abstracts will be presented during the poster sessions:
