### VISIT US AT THE ANNUAL CONFERENCE OF THE EUROPEAN RESPIRATORY SOCIETY

Trudell Medical International (TMI) would like to invite you to visit us at our booth – **Hall B, G 20** – at the upcoming 2009 ERS Annual Conference, being held at the Messe Wien Exhibition and Congress Centre – Vienna, Austria.

In addition to being an exhibitor at the conference, the following abstracts have been accepted for presentation during the Thematic Poster Session: New aspects of inhalation therapy – taking place in Hall A-5 on Monday, September 14, 2009 from 12:50 to 14:40.

Presentation Number 2036: *In Vitro* Evaluation of a Novel Aerosol Chamber for Delivery of Aerosolized Medication to the Mechanically Ventilated Premature Infant

Presentation Number P2037: Substantial *In Vitro* Equivalence Exists For Non-Conducting and Anti-Static Valved Holding Chambers Provided Pre-Conditioning of the Non-Conducting VHC is Undertaken

Presentation Number P2044: A Visual Indicator for Inhalation from a Valved Holding Chamber is an Aid in Delivery of Inhaled Medication to Infants and Small Children via Facemask

Presentation Number 2045: New Anti-Static Youth Valved Holding Chamber Can Be Used Out-Of-Package and Deliver Beta2-Agonist Medication Effectively

Presentation Number 2047: Non-Conducting Valved Holding Chamber Delivers Comparable Medication to Antistatic Metal VHC When Manufacturer Instructions to Precondition Are Followed

Trudell Medical International – Your aerosol drug delivery device partner.
